15B.065 Registration of certain members of limited-liability companies.

1. All members with a 5 percent or less ownership interest in a limited-liability company licensee must register in that capacity with the board and affirmatively state in writing that they submit to the board’s jurisdiction. Such registration must

be made on forms prescribed by the chairman. A member who is required to be registered by this section shall apply for registration within 30 days after the member obtains an ownership interest of 5 percent or less in a limited-liability company licensee.

2. Registration with the board shall:

(a) Include a completed application for registration form as prescribed by the chairman;

(b) Include fully executed waivers and authorizations as determined necessary by the chairman to investigate the registrant;

(c) Include an affirmative statement that the registrant submits to the jurisdiction of the board;

(d) Include three sets of fingerprints of the registrant;

(e) Be accompanied by a fee to cover registration investigation costs as follows:

(1) For registrations related to 2 or fewer restricted licenses, an investigative fee in the amount of \$550.00 and

(2) For all other registrations, an investigative fee in the amount of \$1,000.00.

→ This fee does not include the application fee or investigation costs should the chairman require the registrant to apply for licensure; and

(f) Include such other information as the chairman may require.

3. The chairman may require a member who is required to be registered by this section to apply for licensure at any time in the chairman's discretion by sending notice through the United States Postal Service to the registrant at the address on the registrant's registration on file with the board and to the limited-liability company at the address on file with the commission. If a member required to be registered by this section has not registered and the chairman desires to call the member forward for licensing, the notice shall be sent to the limited-liability company at the address on file with the commission. A member shall apply for licensure as required by the chairman within 40 days of the member's receipt of notice. The notice shall be deemed to have been received by the member 5 days after such notice is deposited with the United States Postal Service with the postage thereon prepaid.

4. If a member is required to be registered pursuant to this section and the member fails to register, the chairman shall require the member to apply for licensure pursuant to this section. If a member does not apply for licensure as required by this section, the board and commission shall place the matter on their next available agendas for consideration of whether the member should be licensed.

5. If a member of a limited-liability company licensee is a holding company and is required to register with the board under this section, the member is not required to register with the commission pursuant to NRS 463.585 unless the chairman requires the member to apply for licensure.

6. In enacting this regulation section, the commission finds that waiver of NRS 463.585 pursuant to NRS 463.489 is appropriate to the extent required by this section. In making this waiver, the commission finds such waiver is consistent with the state policy set forth in NRS 463.0129 and NRS 463.489 because such waiver is for purposes including but not limited to fostering the growth of the

gaming industry which is vitally important to the economy of the State and the general welfare of its inhabitants and broadening the opportunity for investment in gaming. The commission further finds such waiver does not diminish the board's and commission's roles in strictly regulating gaming and effectively controlling the conduct of gaming by business organizations because the board and commission still require, at a minimum, registration with the board of all persons involved with gaming and may call such persons subject to registration with the board forward for licensure, registration with the commission, or findings of suitability.

~~**[15B.100 Foreign limited-liability company ineligible to hold certain licenses.** A foreign limited-liability company is not eligible to hold any license issued by the commission pursuant to chapters 463 and 464 of the Nevada Revised Statutes except a manufacturer's license.]~~

Each member of a limited-liability company holding company must be licensed if the member owns more than 5 percent of any licensee owned by the limited-liability company holding company, except to the extent delayed licensing is approved by the commission. For the purposes of this section, "own" means the possession of a record or beneficial interest in any business organization.

2. All members which own 5 percent or less of any licensee owned by the limited-liability company holding company must register in that capacity with the board and affirmatively state in writing that they submit to the board's jurisdiction. (1) For registrations related to 2 or fewer restricted licenses, an investigative fee in the amount of \$550.00 and

(2) For all other registrations, an investigative fee in the amount of \$1,000.00.

→ This fee does not include the application fee or investigation costs should the chairman require the registrant to apply for licensure; and

(f) Include such other information as the chairman may require.

4. The chairman may require a member who is required to be registered by this section to apply for licensure at any time in the chairman's discretion by sending notice through the United States Postal Service to the registrant at the address on the registrant's registration on file with the board and to the limited-liability company holding company at the address on file with the commission. If a member required to be registered by this section has not registered and the chairman desires to call the member forward for licensing, the notice shall be sent to the limited-liability company holding company at the address on file with the commission. The notice shall be deemed to have been received by the member 5 days after such notice is deposited with the United States Postal Service with the postage thereon prepaid.

6. If a member of a limited-liability company holding company is also a holding company and is required to register with the board under this section, the member is not required to register with the commission pursuant to NRS 463.585 unless the chairman requires the member to apply for licensure.

7. In enacting this regulation section, the commission finds that waiver of NRS 463.585 pursuant to NRS 463.489 is appropriate to the extent required by this section. In making this waiver, the commission finds such waiver is consistent with the state policy set forth in NRS 463.0129 and NRS 463.489 because such waiver is for purposes including but not limited to fostering the growth of the gaming industry which is vitally important to the economy of the State and the general welfare of its inhabitants and broadening the opportunity for investment in gaming.
